1972 WINNESHIEK

FOREWORD

High school is perhaps the most memory making time of your life. You'll want to remember that first Prom, that football game you cried at, and that baseball game we won when no one thought we could. You'll want those simple classroom memories to stick around, too. You'll want to remember every little thing, but you won't. You'll wish you had a door which you could open up to see it all again. Our hope is that this 1972 Winneshiek will give you such a door to your high school past. In the future when you open this door, you'll remeet those old friends, relive those happy moments, and rewalk those noisy halls which made your three years at Logan one's which you'll never want to forget and probably never will.

NUMBER ONE IN '71

The road from victory.

We're Number "1"!

We knew you could do it!

FLASHING, NO-HIT FORM.

The 1971 Logan Baseball Team, coached by Mr. Bill Leonard, may have had one of the most thrilling seasons ever experienced by a coach or athlete at Logan High School.

The regular season of play ended with a dismal 4-7 record. However, when the state baseball tournament play began, Logan put all their talents and skills together to build a team that would become the W.I.A.A. State Baseball Champs.

Logan opened the district tournament by defeating the cross-town rival Central. They went on to overcome Westby and Cashton at the regionals. A smashing victory over Ithaca and Sauk Prairie at the sectionals enabled Logan to go on to the State Baseball Tournament at Marion, Wisconsin.

Pete Kohnert pitched an outstanding game at the opening tournament to overpower Chetek 8-0. When Logan was behind 8-3 in the last of the 7th inning against Beloit Memorial, the impossible was accomplished when Logan defeated Beloit. La Crosse Logan then became W.I.A.A. State Champs 1971 when they overpowered Chippewa Falls in the final game.

Row 1: Asst. Coach Erickson, Harry Korish, Joel Roland, Ted Larson, Gary Schmuck, Harry Helfrich, Bruce Melby, Greg Watson, Mike Brown. *Row 2:* Coach Johnson, Gary Kaiser, Dave Wapp, Jeff Laufle, Loran Meier, Steve Melcher, John Pintz, Bill Klaus. *Row 3:* Mike Rochester, Mark Hellerud, Terry Gruntzel, Steve Hammes, Paul Hauser, Jim Harbaugh, Billy Linder, Mike Olson, Mark Engelson. *Row 4:* Carl Viner, John Wells, Dave Loomis, Randy Nicholson, Randy Hembd, Larry Burr, Jim Bennett.

CINDERMEN COME ON STRONG

High on the pole.

The 1971 Logan track team, coached by Mr. Ron Johnson, was highlighted by a 4-1 duel record. The team took first-place victories at the Logan and Waukon Invitationals to bring home the first trophies since 1937 for the track team. The team finished off the year by placing fourth in the Big Rivers Conference. Eight team members represented Logan at the sectional meet. Gary Schmuck and Joel Roland demonstrated outstanding performances throughout the season. Schmuck set a new shot put record with a distance of 53 ft., 6 inches. He also set a new team record by scoring the most points, 167¾, by any individual trackman. Roland was second in scoring with 107 points and was the top man in the hurdles. The team captains for the year were seniors: Joel Roland, Gary Schmuck, Bruce Melby, Greg Watson, and Harry Helfrich.

L-R: Tim Sandau, Jim Stuhr, Rod Rohrer, Paul Bogie, Curt Borsheim, Tom Hafner, Mark Stuhr, Larry Bakko, Reid Harris, LeRoy Wilder, Coach Joe Thienes.

PAR FOR THE COURSE

During the 1971 Golf season 18 young hopefuls braved the weather of the Wisconsin spring to represent Logan High School on the links.

Although the team managed to win only three of twelve duel matches during the season, it is hoped that the competitive experience will be valuable in future years. Coach Joe Thienes looks forward to the 1972 season.

Tom tees off.

Kneeling: Robin Roberts, Roger Heyming, Steve Sagen. *Standing:* Coach Jim Shuda, Kevin Smith, Terry Sullivan, Randy Larson, Steve Almos.

LOVE . . .
DEUCE . . .
GAME . . . .

The 1971 tennis season was again highlighted with a third-place finish in the Big Rivers Conference Match. Randy Larson, Steve Almos, Terry Sullivan, and Roger Heyming, all graduated seniors, performed well in the match, as they did all year. Kevin Smith, Steve Sagen, and Robin Roberts picked up additional points in the Ranger 4-8 season record.

What a racket!

Heads up!

THE ARK IS HERE TO STAY

Pride, Poise, and Execution: these words were the keys that were necessary to achieve the two goals set by the 1971 Logan Rangers. The goals set at the outset of the season were to be first: city champs, and second: conference champs. Only half of the goals were reached; a city championship was won with great honors brought to Logan. Although they failed to achieve the second goal, the Rangers made their presence known on the gridiron. The Rangers were never outhit by any of their opponents, even though lag mistakes led to close Logan losses. The Rangers of 1971 gained great respect from their rivals and the Logan Coaching Staff.

1971 was rewarding and disappointing but most of all great strides were made in building Pride, Poise, and Execution while enjoying the great game of football.

Winning is fun!

RUN. . . RUN. . . RUN

The 1971 Cross Country team was built by determination and willingness to win. They demonstrated this by bringing home four trophies and coming just inches away from representing Logan in the state meet. Dave Loomis proved to be the top runner by turning excellent times throughout the season, but it was a total team effort that gave the Harriers their balance to win. The Harriers, holding down 5th and 6th spots all year, were ranked in the top ten in state ratings.

Coach Erickson was honored by his team with a plaque as a token of their respect and admiration for the many hours of dedication he put into the Cross Country season.

RANGERS ON THE MOVE

Curt leaps for the ball.

The 1971-72 Logan basketball team was evidence of the saying: "Statistics don't tell the score." Statistically, the Rangers didn't win a game in their first 16 outings. Despite all the bad luck and the disappointments, the Rangers maintained their pride and desire to win. Through thick and thin, the Logan fans gave their spirited support to the team.

The starting five players consisted of 1 senior, 2 juniors, and 2 sophomores. Senior Kenne Happel led the team in scoring. Although 6'7" Carl Viner missed 5 games of the season, he still ranked second in team scoring. Pete Weber and Paul Hauser as well as Curt Mosher and Steve Kremer are the returning lettermen. The Rangers, coached by Bill Leonard, are looking forward to a winning season next year.

WRESTLING STIMULATES ACTIVITY

Great strides have been taken by the 1971-1972 Logan wrestling team. The team has improved their duel match record from only 2 wins from the previous year to over a 500 mark record this season. Bill Poellinger, 138 pound wrestler, was undefeated in conference matches with a record of 6-0-1. Steve Melcher at 165 pounds and Ron Symicek at 112 pounds both won first place at the La Crosse State Invitational. Dave Loomis holds the record for the fastest pin, which took place in 31 seconds.

The team, led by Captains Gary Kaiser and Ron Symicek, had a trademark of pride, which will be carried over to the next wrestling season by Coach Fred Antonneau and the returning grapplers.

Pull him back, Dave.

VARSITY CHEERLEADERS

Arousing school spirit was the aim of the 1971-1972 Varsity Cheerleaders. They led crowds in cheering for our teams at the pep assemblies and games.

They earned enough money to buy new uniforms and to attend a cheerleading camp in Decorah, Iowa for one week. They earned theirACA pins and badges at camp and also received 1st place honors in spirit competition.

Finishing off the year they put on the annual Twirp and rendered their assistance to the many athletic events.

PROM '71

A view from above.

Prom royalty takes a walk.

Prom for the seniors is beautiful, but for the Juniors it is a lot of hard work. Many things have to be done in preparation. Ordering the various items such as invitations, memory books, and all decorations are just a few of their tasks. "You'll Never Walk Alone" was the theme of Prom '71. The decorative motif was a beautiful park with many colorful flowers. The main attraction of the night was the coronation and the Grand March. King Joel Roland and Queen Candy Butzman led the March. It was a night full of memories which we're sure no one will ever forget.

Colorful trees and the chill of the air with the excitement of football games bring to mind the season of fall. Thus, "Color My World" was chosen as the 1971 Homecoming Theme.

Homecoming night began with the parade which was followed by the football game. Even though we lost this game, the team, never losing their spirit, fought hard from beginning to end. The night ended with the Homecoming dance where Mary Latshaw, escorted by Bob Stein, was crowned Queen of the festivities. These happy memories remain forever.

TWIRP IN '72

"You are Everything" set the theme for TWIRP week of February 7-12, 1972. Chivalry was reversed, as the girls ceded to the demands of their dates. The girls set the week's activities in motion by displaying the name of their date on a tag. This was followed by "sweater day" at which time the girls wore one of their date's sweaters. The girls demonstrated their creativity by making decorative goodie bags for their dates as well as matching garters. The hands of time were set back when the girls displayed a baby picture of their date.

The week's activities culminated in a dance to which the girls escorted their dates. As an added highlight to the evening, a TWIRP court was chosen randomly from name tags in a barrel. After an evening of music and dance, the girls treated their dates to dinner.

Hats off to the cheerleaders for a job well done.

GLEE CLUB

Mr. Lloyd Mieden has again displayed his talent for directing music through this year's vocal music department. They not only put on the usual Christmas & Spring concert but also, through their combined effort and hardwork, produced the famous Broadway Musical "Oklahoma".

Vocal groups were very active during the holiday season. The Choir performed at the Ecumenical Service at Viterbo along with 13 other area choirs and at the Baccalureate Service for Graduation. The Redjackets sang on invitation, at city functions. The Choir again enjoyed their trip to Minneapolis for the Ice Capades. It was a very successful year.

TWIRLERS

Under the direction of Majorette Backy Tanke, the twirlers lead the marching band at parades and at half time shows for the football and basketball games.

This year's stage band has decided to call themselves "Jazz Lab 72." Competition at Delevan, Wisconsin and a first place at the La Crosse Area Talent Show were among their achievements. Some of their charts included selections from Buddy Rich and Stan Kenton. "Jazz Lab 72" is under the direction of Mr. Donald Diener.

COLOR GUARD

Rifles, flags, colors, and formations make up Logan's distinguished Color Guard. The Color Guard not only presents the colors at games and marches with the band in the parades, but they also compete with area color guards. Color Guard competitions are judged by competent judges who take off points for being out of step, out of place, or for dropping equipment. On the other hand, groups receive points for order, effects, timing and flagwork. Mr. Diener does, indeed, work long and hard for the benefit of Logan, and Logan is very proud of his leadership and the Color Guard.

WINNESHIEK

Many long, hard hours were put forth by the Winneshiek Staff in order to make this year's annual the best ever. The backbone of any yearbook is, of course, the photography. Our dedicated photographers, Terry Wiegand and Dave Thurston, combined their talents in order to record the events of the past year through pictures. Workshops were spent by the rest of the hard-working staff in creating new and different layouts, writing imaginative captions and headings, cropping pictures, typing, and proofreading. It is our hope that the 1972 Winneshiek will be a book to remember and cherish always.

LOGAN LOG

Getting it together.

The Logan Log has been a proud tradition of Logan Senior High for many years. Its main objectives has always been to keep the student body informed of school events, school policies, and also of student's views. Through the hardworking staff, assisted by student effort and Miss Mahoney, our paper has continued from the past to the present. This year's Editor-in-chief is Barb Happel, and the Feature Editor is Honnie Blackburn.

RED CROSS

Red Cross is a very important organization in our schools today. During the Christmas Season, the Red Cross prepares packages of "cheer" to send to the lonely soldiers in Viet Nam. The Red Cross is there when a sick student is in the hospital and also when entire families are in need of assistance because of fire or flooding. The Red Cross is here to help.

PUBLI-CATIONS

The Business Staff kept busy throughout the year soliciting ads for the Log, distributing the Logs to students and other schools, and promoting the sale and distribution of the Winneshiek.

In addition, the staff undertook the responsibility of selling the Sophomore and Junior pictures. Dan Bartle served as the Business Manager, with Mr. Shuda as the advisor.

PHOTO CLUB

Photo Club was formed to develop an interest in advanced photography.

In order to achieve darkroom experience and for lack of facilities at Logan, several members enrolled in a photography course at W.W.T.I. The Club was involved in slide presentations and print competition throughout the school year.

STAGE AND SOUND CREW

This organization deserves much more credit than it receives. The workers of this club, under the guidance of Mr. Jergens, are responsible for many unnoticed happenings. They were the creators of the lighting effects for the silhouette show at the Christmas concert. They are responsible for minor repairs on the equipment of the school. Through the help of these people, the projectors, the record players, and the equipment in the I.M.C. are kept in efficient,operating condition.

STUDENT COUNCIL

In the spring of last year the students of Logan chose to elect Jeff Schlicht as the President of the Organization to represent YOU the students. This Organization is your Student Council. With Jeff Schlicht at the helm, eagerly followed by Mary Valiquette, Vice President; Debbi Chase, Secretary; and Trudy Fillner, Treasurer; YOUR Council gives you representation in school affairs. Because of a lack of sufficient complaints, the Student Council has seen limited action this year. The Council President is one of the few people to speak at the Graduation exercises in the spring. Because years pass and students leave, the leadership will, as every year, be handed down to the next year's leaders under the guidance of Mr. Thienes.

NATIONAL HONOR SOCIETY

This rope symbolizes an honor student?

National Honor Society is a selective organization composed of students who have not received a grade lower than a B for three consecutive quarters. The club's objectives have always been to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character. Mr. Sauer advises the Organization.

Drama Club is composed of people interested in just about everything. Theater and speaking play an important part, but it also gives you a place to unwind. A musical is planned for later this year and forensics competition is also on the agenda. Newly elected officers are Dan Noel, President and Bob Koepcke, Secretary-Treasurer.

Anyone can join Drama Club because having fun and learning while doing it is something everyone can do. The Drama Club wants you.

This is tradition?

LIBRARY CLUB

The Library Club has many new facilities for the students to use and enjoy this year, and the name has been updated to Instructional Material Center (IMC). Books are still the basic tools for school learning, and reading is still a basic skill; but school library materials now involve sound, motion, and color in films and tapes. The job of the library aides is to keep the library running smoothly, and the aides have done more than their share this year. The girls work under the direction of Mrs. Peterson.

The purpose of the Spanish Club is to familiarize the members with the customs, literature, and the Spanish language and arts. As a means of recognizing high achievement in the Spanish language, the Club also sponsors the Spanish Honor Society. Membership in this society is open to students in Spanish classes who obtain two A's and a B in three semesters of work.

The Spanish Club also hopes to stimulate interest in the Spanish language by sponsoring a Spanish movie open to any Spanish students or families in the city. Some of the activities they plan on for this year are field trips, parties, and Spanish speakers.

The Logan Senior High French Club was quite active this year in sponsoring bake sales, car washes, and candy drives. The profits were used to buy modern equipment and materials for classroom purposes. Also, several students participated in "Le Jour Francais" at the University of Wisconsin, La Crosse.

During the Christmas season a number of French students gathered at Mlle. Wagner's house for coke and cookies and for a discussion in French of French Christmas customs. The discussion was led by a native Frenchman. After refreshments the group sang French Christmas carols at several of the teachers' homes.

Plans were also made by the Club for the annual picnic with the Spanish Club and for a French Club banquet.

German Club is open to any German student or to any person who has completed two years of German. Members become acquainted with the use of the German language and with the customs of Germany. German Club enables the student to become more interested in the German people through their involvements with German pen pals. The Club attended "German Day" at LaCrosse State University. Some of the other highlights of the year included a Christmas Party. Mr. Jergens, the advisor, instructed the Club in the art of playing "schaapskopf" (sheephead).

These scholarly athletes not only represent our school on the fields, courts, and mats, but they also perform other school services. In the past year this club has sold the Ranger T-shirts so often seen in the halls. The Letterman's Club also sponsors the refreshments and renders their assistance at the football and basketball games. During the course of the year the Organization has been arranging for a large sign to be constructed and placed at Copeland Park distinguishing Logan as the 1971 State Baseball Champs. This club and its supervisor, Mr. Ron Johnson, is proud to represent our school anywhere and anytime.

GYMNASTICS

Girls competitive athletics has become a reality at Logan. Coached by Mrs. Molstad, the Gymnastic team competed with area schools in floor exercise, balance beam, uneven bars, and vaulting. With an enthusiastic beginning, the girls eagerly look forward to next year with the advantage of one year's experience.

Wait, the other way.

Bonnie Bakko, Diane Hanson, Sue Pengra, Sharon Bittner, Dan Noel, Terri Mosey, Steve Sagen, Bob Koepcke, Dan Wilhelm, Steve Wittenberg.

SKI CLUB

Since most of the members of the Ski Club were new to the slopes this year, every time they hit the hills something fun and different occurred. Mt. La Crosse became a "second home" for this happy group. Whether or not you were an expert "snowplower," you were sure to find a good time on the hills.

Who was there first?

Snowflakes up my nose.

What now?
